

BIOMEDICAL INTERVENTIONS FOR **AUTISM**

SATURDAY, MARCH 8, 2014 - 9:00^{am} - 5:00^{pm}

CORNERSTONE AUTISM CENTER

380 POLK STREET, GREENWOOD, IN 46143

REGISTER TODAY!

FEATURING

Dr. Jerry Kartzinel

Join us for the upcoming Indiana autism practitioners' Biomedical Interventions for Autism Conference hosted by Cornerstone Autism Center.

This conference is designed to inform parents about various biomedical treatments for autism including identification and treatment of autism symptoms, nutrient deficiencies and specialized diets, testing options, seizures, sleep and gastrointestinal issues, evidence-based information, and much more.

Formal presentations will be followed by an all-provider question and answer panel session.

REGISTRATION | **\$25** **\$40**
individual | 2 parents or
2 grandparents or
parent/grandparent

REGISTER ONLINE: www.cornerstoneautismcenter.com

REGISTRATION DEADLINE: Friday, February 28, 2014

QUESTIONS: Sheila Carney | Cornerstone Autism Center
scarney@cornerstoneautismcenter.com | 317.888.1557 - x225
