the course

a run local event

5k Run and Walk:

Begins at the west entrance of Ames Middle School and finishes at the track North of the school.

10k Run:

Begins and ends at the track behind the middle school. This is an out and back route which turns around near the middle school.

our philanthropy

our directors
Hallie Browne & Hannah Dewey

Since the inaugural year in 1987, Alpha Omicron Pi and the Ames Area Running Club have contributed \$206,000 to the Arthritis Foundation for research grants. There are no administrative costs. Alpha Omicron Pi's official philanthropy is Arthritis

Research. Through the years working with the Ames Area Running Club, our passion for raising awareness has grown with the help of our sponsors and race participants. We thank you for your participation in helping us make a difference and raise Arthritis awareness so the research may continue!
