

5K Family Fun Run and Two Mile Dog Walk Route and Directions

This is an out and back course.

The directions for the Scholarship Scamper are as follows:

All participants will start (heading east) in front of the LEACO building at 220 W. Broadway (corner of Broadway and Linam) in downtown Hobbs. The runners/walkers staying on the north side of Broadway will go 2 blocks east to Turner - then turn left (north). Staying on the right (east) side of Turner, using the sidewalk when possible, all participants go north. The easternmost lane of Turner will be closed during the run.

Walkers will turn around at Yeso Street and come back. LEACO staff will be at the turn-around and at all intersections.

Runners will continue to go north to Rojo. If you go past Checker Auto Parts you have gone too far. At Rojo turn right and go one block to Cielo, turn left and go one block to Blanco and turn left and go one block to Turner and turn left again (stay on the left side (east) of Turner and go south to Broadway. At Broadway turn right and finish in front of the LEACO building.

Do not cross Turner except at Broadway.

When walking or running on Turner stay on the east side, which means the right side going up and the left side coming back. Runners may use the sidewalk on Turner. There are several intersections with lights: Broadway/Turner, Turner/Taylor, Turner/Snyder, Turner/Sanger, and Turner/Llano. Please use extreme caution at these intersections.
