

Dear Potential Sponsor,

We are hosting a 5K/10K race Saturday, June 9<sup>th</sup> at Drake Well in Oil Creek State Park to raise money for our Maasai Mission. This mission is birthed out of a trip to Moshi, Tanzania in January 2017. We have a desire to support a community of native Maasai people by coming along side them in furthering a sustainable water project which will provide clean, dependable and available water.

We truly hope that your company would consider being a sponsor of the Kilimanjaro Water Run. As a corporate sponsor, your company's logo will be placed on the back of the race day t-shirts as well as on the fliers distributed and any information given to us would be placed in the race day gift bags. We will also promote your company in various other ways depending on your sponsorship level. There are several levels of sponsorship your company may consider:
